## Capabilities Statement

---

2D Oilfield Services Inc. We are experienced in multiple areas in the oilfield, residential, commercial, and industrial industries. We are highly qualified in dirt work, land clearing, and natural disaster clean-up. We also do building demos.

2D Oilfield Services, INC. is an oil & gas company that also specializes in dirt work, residential and commercial demos, natural disaster recovery, land clearing, and multiple other services. We are one call away for multiple services.

Our mission is to lead the industry and provide safe and strong business relationships with our employees and customers.

## Core Competencies

---

- Demolition
- Land Clearing
- Site Prep
- Oilfield/Site Cleanup
- Tree Removal
- Hauling/Shipping
- Abandoned Oil Well Site Cleanup
- Fencing

## Differentiators

---

We own all of our equipment, therefore we offer lower rates and quality, professional work. 30+ years of experience in the oil and gas industry, and 15+ years of experience in demolition. Our turnaround times in services are fast and reassuring that we will get the job done.
